THE UNITED STATES OF AMERICA,

Plaintiff,

v.

COLEMAN LAU,

Defendant.

MOTION TO SEAL and ~~(PROPOSED)~~
SEALING ORDER

[UNDER SEAL]

The government respectfully requests that the Indictment in the above-referenced matter, any accompanying documents, and the (proposed) Order be sealed until further Order of the Court. The government submits that the public filing of these documents might seriously compromise this investigation by alerting the defendant of the government's investigation and the arrest warrant that will issue with the Indictment. Due to logistics, the government will be unable to arrest the defendant for several weeks. Discovery of the Indictment could cause the defendant to flee prior to their arrest.
